

How to Create an Ad

This is a tutorial on how to create an ad in eZanga AdPad®.

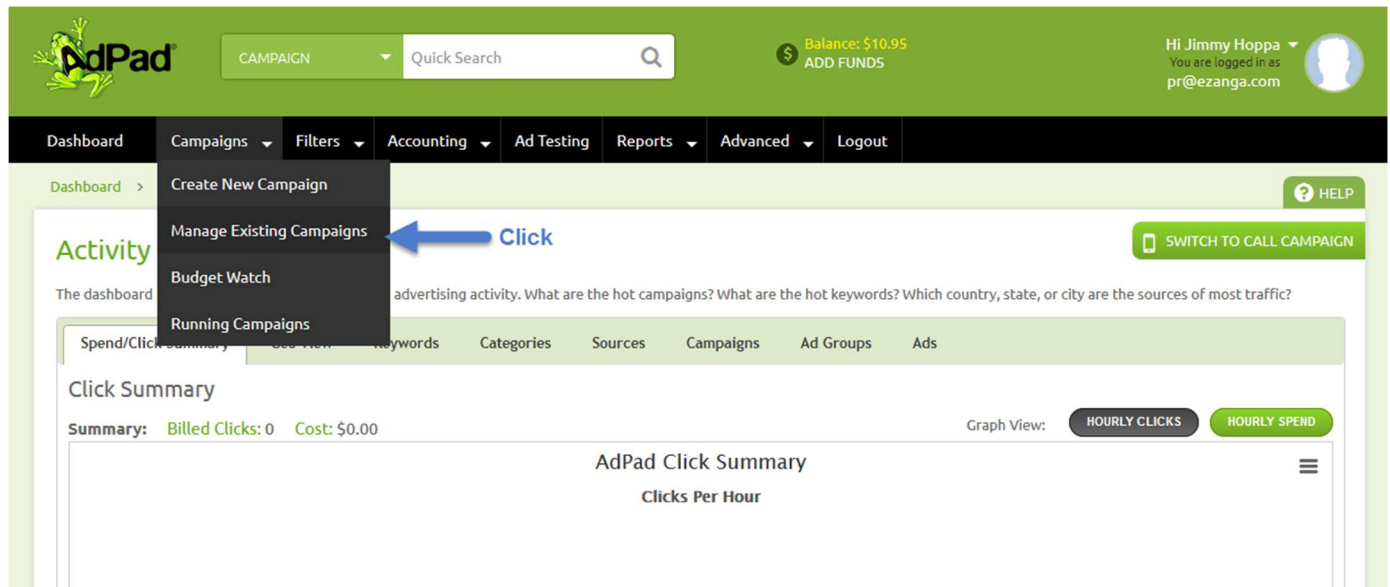

1. Login to AdPad®

The screenshot displays the eZanga AdPad® website interface. At the top left is the AdPad logo featuring a green frog. The top right contains the tagline "Advertising with effective and targeted results." Below this is a navigation menu with options: Home, Campaigns, Advertiser, Advertiser, Reports, Plans, Accounts, Settings, Advertisers, Reports, and Logout. The main content area is divided into three panels: "Advanced Time Targeting" on the left, "Generating A Report" in the center, and "Geo View Data" on the right. The "Advanced Time Targeting" panel shows a table with columns for days of the week (Monday to Sunday) and time slots (Morning, 9-5, Evening, Custom). The "Generating A Report" panel shows a form for selecting report parameters. The "Geo View Data" panel displays a donut chart with a legend for "United States", "Canada", "France", "Australia", "Other (non-Ad from the User Ad)", and "Not Categorized". At the bottom of the page is a login form with fields for "User ID" (containing "username@domain.com") and "Password", a "Remember Me" checkbox, a "Forgot Password" link, and a green "LOGIN" button. To the right of the login form is an orange "NEW USER SIGNUP" button. Below the login form, the text "Welcome to eZanga AdPad®" is displayed.

2. Go to 'Campaigns' and Click 'Manage Existing Campaigns'

If you have no existing campaigns, see How to Create a New Campaign.

The screenshot displays the AdPad dashboard interface. At the top, there is a green header with the AdPad logo, a search bar, and user information including a balance of \$10.95 and the name Jimmy Hoppa. Below the header is a black navigation bar with various menu items: Dashboard, Campaigns, Filters, Accounting, Ad Testing, Reports, Advanced, and Logout. The 'Campaigns' menu is open, showing options: Create New Campaign, Manage Existing Campaigns (highlighted with a blue arrow and the word 'Click'), Budget Watch, and Running Campaigns. The main content area shows an 'Activity' section with a 'Click Summary' card. The card includes a summary of 'Billed Clicks: 0' and 'Cost: \$0.00', and a graph view selector set to 'HOURLY SPEND'. The graph title is 'AdPad Click Summary' with a subtitle 'Clicks Per Hour'.

3. Select Your 'Campaign Name'

This will be the campaign in which your ad appears. If you wish to create an ad in a new campaign, see How to Create a New Campaign.

What is an Ad Group?
An Ad Group is an association between one or more ads and a list of keywords. Ad Groups allow you to test different ad copies against the same list of keywords. You can then use the performance data of the different ads to modify your campaigns, optimizing how your ads are displayed.
