

# How to Enable Auto Refill

Worried about running out of funds? Not a problem with auto refill. Set up your account to replenish funds by simply following these steps.

## 1. Login to AdPad®

The screenshot displays the AdPad website interface. At the top left is the AdPad logo featuring a green frog. To the right of the logo is the tagline "Advertising with effective and targeted results." Below this is a navigation menu with options: Home, Campaigns, Reports, Settings, Account, and Logout. The main content area is divided into three panels: "Advanced Time Targeting" on the left, "Generating & Report" in the center, and "Geo View Data" on the right. The "Advanced Time Targeting" panel shows a table with columns for Day, Ad Day, Morning, 9-5, Evening, and Custom. The "Generating & Report" panel shows a report generation interface with various filters and options. The "Geo View Data" panel shows a donut chart with a legend for "United States", "Canada", "Other (incl. Non-Ad)", "Europe", "Australia", and "Not Categorized". Below the main content area is a login form with fields for "User ID" (containing "username@domain.com") and "Password", a "Remember Me" checkbox, a "Forgot Password" link, and a green "LOGIN" button. To the right of the login form is an orange "NEW USER SIGNUP" button. At the bottom left of the page, it says "Welcome to eZanga AdPad®".

## 2. Click 'Account Setting' Icon

### 3. Go to 'Auto Refill' Box

The screenshot shows the AdPad user interface. At the top, there is a navigation bar with the AdPad logo, a 'CAMPAIGN' dropdown, a 'Quick Search' field, and a balance of \$10.95 with an 'ADD FUNDS' button. The user is logged in as Jimmy Hoppa. Below the navigation bar is a menu with options like Dashboard, Campaigns, Filters, Accounting, Ad Testing, Reports, and Logout. The main content area is titled 'My Account > Account Settings' and includes a 'HELP' button. The 'Account Info' section shows account balance, spending, and pacing status. The 'Daily Account Budget' section has a text input for the budget amount. The 'Auto Refill: Maintain 3 Days Working Fund' section is highlighted with a blue box and contains radio buttons for different refill methods, input fields for amounts and dates, and a 'SUBMIT' button. A descriptive paragraph explains the Auto-Refill tool.

**Account Info** API Auth token

Account Balance: \$10.95 more GENERATE COPY  
Spent Today: \$0.00  
Pacing Status: Enabled  
Click Firewall: TAI Simulated Filter

**Daily Account Budget: \$0.00**

The Account Daily Budget is an optional value. It defines an approximate ceiling for the maximum amount of money you want to spend during each business day.

Daily Account Budget(\$):  \*A zero or blank value means no daily budget. SUBMIT

**Auto Refill: Maintain 3 Days Working Fund**

Maintain 3 Days Working Fund

Start of Day Min.(\$)

Fixed Deposit (\$)  Every

Starting:

Balance Watch

Refill acct with \$

When acct balance falls below \$  SUBMIT

Account Auto-Refill is a tool that helps keep your account funded to a level that will ensure your ads will keep running without you having to login and manually add funds quite so often.

## 4. Fill out the Fields and Click 'Update'

The screenshot shows the AdPad interface. At the top, there's a navigation bar with the AdPad logo, a search bar, and user information. Below that is a menu with options like Dashboard, Campaigns, Filters, Accounting, Ad Testing, Reports, and Logout. The main content area is titled 'Account Settings' and contains two sections: 'Account Info' and 'API Auth token'. The 'Account Info' section shows account balance, spent today, pacing status, and click firewall. The 'API Auth token' section has 'GENERATE' and 'COPY' buttons. Below these is the 'Daily Account Budget' section with a text input field set to '0.00' and a 'SUBMIT' button. The 'Auto Refill' section is highlighted with a blue box and contains four radio button options: 'Maintain 3 Days Working Fund', 'Start of Day Min.(\$)', 'Fixed Deposit (\$)', and 'Balance Watch'. The 'Fixed Deposit (\$)' option is selected. It includes input fields for '0.00', 'Every', 'Select Days', and 'Starting: 10/01/2016'. Below this are two more input fields for 'Refill acct with' and 'When acct balance falls below', both set to '\$ 0.00'. A blue arrow points to these fields with the text 'Fill out the Fields'. A 'SUBMIT' button is at the bottom right of the section.

Each refill option has a different function. Choose from:

- **Maintain 3 Days Working Funds.** Ensures you have three days of funds to draw from.
- **Start of Day Min.** The amount of funds you want to start each day with.
- **Fixed Deposit.** How much you want deposited each time and when.
- **Balance Watch.** Decide the refill amount and your low balance amount.

Select your option, click 'Update,' and you're finished!
